

FTP Account Instructions

FTP Login

Web Browser FTP Access

1. In your web browser, go to <http://clientftp.mglitho.com>

A screenshot of the Meridian Graphics File Transfer Login page. The page has a brown background. At the top left is the Meridian Graphics logo. To its right, the text 'FILE TRANSFER LOGIN' is displayed. Below this, there are two input fields: 'E-mail address:' and 'Password:'. A 'Login' button is positioned below the password field. At the bottom left, there are three links: 'FTP Instructions', 'Register for FTP Account', and 'Forgot Password'.

2. Enter your email address and password for your FTP account.

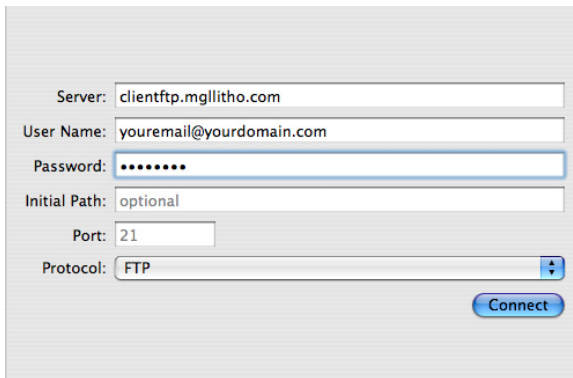

A screenshot of the Meridian Graphics File Transfer Login page, identical to the previous one but with the input fields filled. The 'E-mail address:' field contains the text 'youremail@yourdomain.com' and the 'Password:' field contains a series of dots. The 'Login' button and the links at the bottom remain the same.

3. Click the “Login” button

If you do not already have an FTP account, please click on “Register for FTP account”. (See **Account Registration** section for instructions.)

FTP Client Access

1. Enter ftp://clientftp.mglitho.com as the server name.

A screenshot of an FTP client connection dialog box. The fields are filled with the following information:

- Server: clientftp.mglitho.com
- User Name: youremail@yourdomain.com
- Password: [masked with dots]
- Initial Path: optional
- Port: 21
- Protocol: FTP

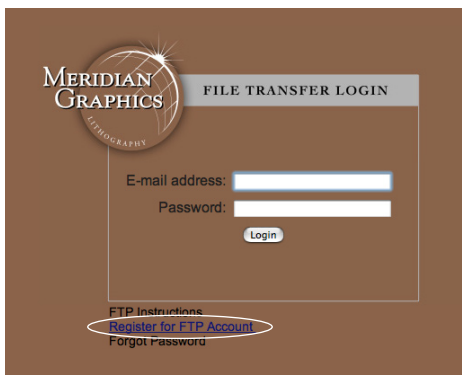

A blue "Connect" button is located at the bottom right of the dialog.

2. Enter your username (your email address) and password.
3. Click your FTP Client's "Connect" button.

If you do not already have an FTP account, please visit <http://clientftp.mglitho.com> and click on "Register for FTP account". (See **Account Registration** section for instructions.)
